BUNK COT

SKU: 6009

When we looked at the design of the Bunk Cot our view always has been, 'if centres have to compromise and have Bunk Cots due to lack of space in their sleep room, then we want to create something beautiful that mothers will love, babies will feel at rest and teachers will find easy to use'. We feel we have achieved this brief and continue to supply beautiful bunk cots throughout NZ. We admit they may be more expensive than our competitors, but what you can be assured of is high quality and workmanship, quality fittings and fixtures, easy to clean surfaces and beautifully finished European Birch Plywood with a Premium hardwearing laminate surface. We manufacture all our cots with LOVE and nothing less. This Bunk Cot has a lower Bed Base. This will allow taller children to sit and stand safely when they wake up. We can also custom manufacture these cots to dimensions that suit your space. Please note Mattresses are sold separately.
